

Medica 2015 in Düsseldorf

Let yourself be surprised by innovative new products such as the new Urilyzer Duo. The fully automated urine workstation show our expertise in urinalysis. Let us explore together the advantages for your lab, hospital or doctor's office. Give us a try - you'll find us in hall 3 at **booth C66**.

Evolutionize your Urine Diagnostics!

From the 16th to the 19th of November we like to show you our novelties and the Analyticon solutions for the diagnostics industry.

We are looking forward welcoming you at Medica.

Your Analyticon team!
