

MEDLAB 2022

Dear valued business partner,

Take the opportunity to meet us during Medlab on our booth Z5.E39 from 24th to 27th January 2022 in Dubai.

COVID-19 has had its impact on everyone's private and business life and we find it's time to come back to normality. We invite you to join us in this respect and make a start with MEDLAB 2022.

Analyticon presents its product lines in the field of urinalysis and hematology diagnostics and will provide information about our preparation for IVDR.

We look forward to meeting you at our booth **Z5.E39**.

Your Analyticon Team
