

Analyticon received LRQA Gold Award

Analyticon Biotechnologies AG has received the Gold Award for its Quality Management System from the prestigious Lloyd's Register Quality Assurance (LRQA). The company achieved the first certification already 10 years ago. Today the company is certified according to ISO 9001 and ISO 13485, which is the international standard that defines quality management system requirements for manufacturers of medical devices. The LRQA Gold Award reflects the lasting commitment of Analyticon Biotechnologies AG to continuous improvement of the complete organization, resulting in high quality solutions to meet the needs of our customers.
